321 Miles for 321 Smiles

On 3.21.2017, in recognition of World Down Syndrome Day, we will begin a 321 mile journey with a very special purpose –to promote awareness about Down syndrome (Ds).

Each mile that we walk will be dedicated to a person who has Ds. Our goal is to show others that individuals with Down syndrome are more alike than different.

Help support our journey by following our [blog](#), [Facebook page](#), sharing our journey, or sponsoring a smile by donating to our [DSGSEMI CrowdRise fundraiser](#)

We are looking for 321 smile sponsors! Help us by sponsoring a smile!

Parker

Jensen

We are walking in memory of our son Jensen, born with Ds on August 5, 2016, who sadly, died after 43 hours. He taught us what compassion and kindness truly means.
